Registration deadline to ensure
you get incentives

Please note because of COVID-19, we cannot predict if or guarantee that we will be able to deliver incentives bags to all areas of the state. We will do our best.

During this event, we ask providers to open their doors to vaccinate all children at no cost to the parent, regardless of the child's insurance status or if the child is a current patient of the clinic office. Working together we can ensure that no child will suffer from a vaccine-preventable disease because they did not receive vaccinations.

If you have any questions please contact either Anna Pentler or Maggie June at the NM Immunization Coalition, 505-272-3032; or Jessica Spittler at the NM Primary Care Association, 505-855-6979.
