Member Advisory Board Meeting

You can help Western Sky Community Care improve the way our health plan works.

Through our Member Advisory Board, we give members like you the chance to share your thoughts and ideas with us. The Board shares health education with our members. It discusses ways to focus on preventative health. The Member Advisory Board meets four times a year in a centrally located part of the state. There are opportunities to attend without traveling.

At these meetings, you can talk about the services you get. You can tell us how we are doing. You can share your ideas on policy changes. You may ask questions or share any concerns.

\$25 Gift Card Will be Provided to Western Sky Community Care Members

To RSVP Contact Member Services OR
